

Monkey Business

Sponsored "Knitathon"

Dear Helix Monkey Knitters!

We hope you are happy with the pattern for our helix monkeys.

If you would like to knit the helix tail to complete the monkey, this is fine. Otherwise please feel free to leave this part as we have a lady who has put together the "helix tail pattern" and is prepared to complete the monkeys by knitting and adding the tails.

The monkeys can be any colour/s in double knit wool and we would like the tails to stand out by being different colours to the body of the monkey. Feel free to use any odds and ends you may have available.

We plan to use toy stuffing for the monkeys to keep them uniform so if you need us to provide this for you, please let us know.

Our knitathon will run from the start of October through to the end of November so please knit as many monkeys as you're happy to knit for us in this time period!

We are seeking sponsorship for our knitters at a minimum of £25.

If you know any friends or businesses who might like to sponsor you please direct them to our fundraising page which is to be found under the following link:

We will be spreading the word about your support and we hope that together we will be able to raise a good sum of money.

In addition to donating our helix tailed monkeys to children with cancer, we will be selling them for £3.50 plus P&P so if you know anyone who would like to buy one, please let us know.

Please get in touch with any questions and thank you for your support. We look forward to seeing the new species of helix tailed monkeys!
